**Subject:** Proposal for eCommerce platform design & development

Dear Sir,

With reference to you interest about the multivendor eCommerce platform design & development for **Vision Emporium**, we express our interest to provide the services required.

**Tritiyo Limited** started its operation in 2011. Within a very short span of time it secured its enviable place in the IT market providing extraordinary service & support to its individual & corporate. With an initial target of rendering high level of service **Tritiyo** gained enormous reputation & has proved to be one of the best IT service & solutions provider.

**Tritiyo Limited** is dedicated to its clients to provide Software solutions, Web Development, Domain Registration, Hosting, Network solutions & IT consultancy. The blend of highly skilled certified manpower gave it a tremendous boost to compete with the global industry.

We are hereby submitting our proposal covering all the required information briefly within a single cover. We sincerely appreciated your active cooperation with us and hope for further business with your organization.

Thanking You,

On behalf of

Tritiyo Limited
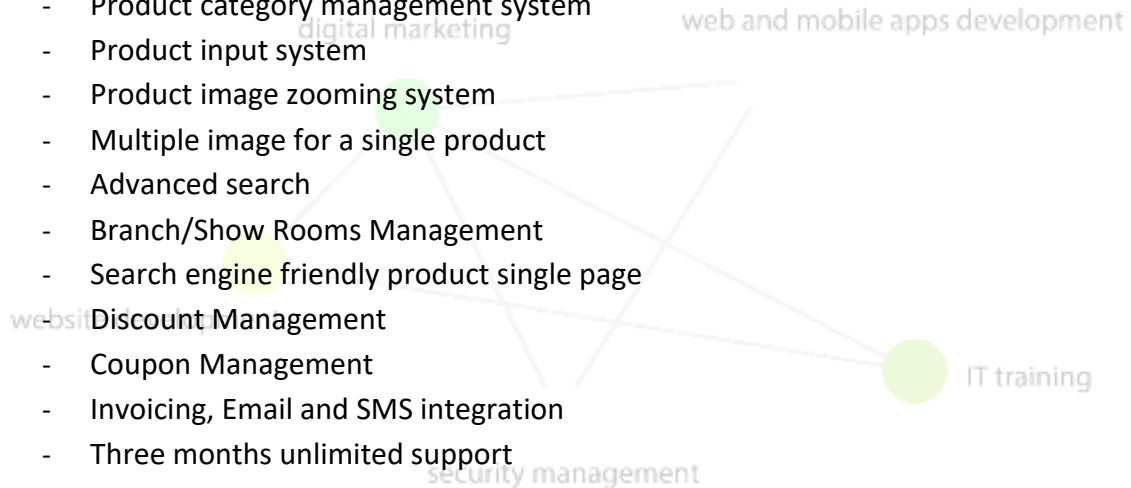

Md. Khalekuzzaman Khan
